**Christmas Festival Yankalilla**

It has been encouraging to see people offering to assist with the setting up, manning and pulling down of the "Festival". Thanks to those who have shown their support. More about this shortly.

However one practical way you can show your support is to offer a donation to set up this year's display, estimated to be around \$2000. The costs of purchasing lights and other equipment is very expensive (although they can be used in successive years). This festival is not designed to make any money (rather to break even) but is more an outreach event to the community.

To date three people have offered their financial support. Your help would go a long way to ensure we set up a "Professional Looking" Festival.

Either place your donation in an envelope and put it on the offering plate when next at church or you can offer via Visa or Mastercard by ringing me and I can organise that for you.

## COMMUNITY CHRISTMAS FLORAL DISPLAY

**Reminder:** If you intend to grow petunias for the Christmas Floral Display, you need to purchase your petunia seedlings this month.

If you don't wish to grow seedlings, you can simply purchase a pot of red or white petunias in December and place them in the display.

As well as the petunias, we will have a Christmas Tree, and as an alternative to (or in addition to) donating petunias, you can help dress the tree by placing a bauble or other decoration on the tree. At the base of the tree will be a basket for donations of non-perishable goods to go into the Christmas hampers for needy families in the district. The display will be set up on the same weekend as the Christmas Festival.
